 - Quick Learner

ABOUT ME

Motivated and dedicated Software Engineer with a strong interest in app and web development. Skilled in Flutter, Dart, Java, and modern web technologies. Eager to learn new technologies and contribute to real-world projects through an internship opportunity.

EDUCATION

COMSATS University Islamabad, Vehari Campus

Bachelor of Software Engineering (BSSE)

Completed 4th Semester | Session 2023 – Present

EXPERIENCE

FRESHER

Actively seeking an internship opportunity to apply my skills in app development and web development and gain real-world experience.

PROJECTS

- **Flutter Mobile Applications**
Built sample mobile applications using Flutter and Dart including UI design, state management and API integration.
- **OOP Based Programs (Java)**
Created Object-Oriented Programming based programs and mini projects in Java.
- **Portfolio Website**
Designed and developed a personal portfolio website using HTML, CSS and JavaScript to showcase my skills and projects.
- **Web Projects**
Built responsive web projects using HTML, CSS and JavaScript to improve frontend development skills.
